## Prayer of St. Francis

"Lord make me an instrument of thy peace, that where there is hatred I may bring love, that where there is wrong, I may bring the spirit of forgiveness; that where there is error, I may bring hope, that where there are shadows, I may bring light; that where there is sadness, I may bring joy. Lord, grant that I may rather to comfort than to be comforted; to understand than to be understood; to love than to be loved; For it is by giving that one receives. It is by self-forgetting that one finds. It is by forgiving that one is forgiven, and it is by dying that one awakens to eternal life."

"Everyday is a gift  
that's why we call it the present."

## The Seventh Tradition

Every AA group ought to be fully self-supporting,  
declining outside contributions.
